WHEN WE DID THE DYNO TESTING OF YOUR DUC WIRES WE DID IT IN A ABA FORMAT. AND NOT ONLY DID WE SEE A POWER INCREASE WITH THE FIRE Wires OVER THE FORD RACING WIRES BUT THE ENGINE ALSO SOUNDED MUCH CRISPER. SO WE ARE GETTING READY TO GO TESTING WITH THE CAR AND WILL KEEP YOU INFORMED ON OUR PROGRESS. ALSO THANKS FOR A TOP QUALITY SET OF WIRES "THE BEST WE HAVE EVER SEEN" THAT WORK!

DAN

PS

LOOKING FORWARD TO SELLING & PROMOTING YOUR GREAT PRODUCT.
